MEMORANDUM FOR: Deputy Director for Support

SUBJECT : Office of Personnel Report - Week Ending
27 October 1972

25X1A

1. Volunteers for Government Service: On 24 October,

[REDACTED] attended a meeting of the IAG Committee on Student Employment and Work-Study Programs. Many agencies, such as Environmental Protection Agency, Justice, HEW and the Bureau of Prisons, are being bombarded by students who wish to work on a voluntary basis. They are being encouraged by their schools to volunteer and acquire experience related to their majors. In some instances they will receive academic credit. At the present time, the law forbids most agencies from using people on a voluntary basis. After the discussion, the consensus was that Congress should be asked to change the law to permit those agencies who wish to use volunteers to do so.
